028B - Triman Camera Trpod black without Head

### DESCRIPTION

### SPARE PARTS

Strong, sturdy and reliable, the Triman tripod is the ideal studio tripod. The geared centre column has a non roll-back feature and has a threaded 3/8" mount on the bottom of the column to allow low angle shots. Twin shank leg design, built-in spirit level and rubber feet with retractable spikes are standard features. The tripod uses a centre column strut design for added stability. Includes a mid level spreader and carrying strap. Ideal for cameras up to medium format.
