MB MBAG100PNHD - TRIPOD BAG PADDED 100CM

DESCRIPTION

VIDEOS

The MB MBAG100PNHD is a padded tripod bag with a larger diameter head to fit larger heads capable of shooting video, made to protect your tripod with mounted head which features the following: • Asymmetric tapered shape allows you to store the tripod with the head attached. Tripod legs fit comfortably in the narrower end. • Main zipper extends down the full length of the bag while wrapping around the top area to easily open and grab your tripod. • Thermofom protects the tripod head during transport. • Inner pocket holds accessories such as video head pan bars. • Can be carried using the included shoulder strap, hand-carried horizontally by the side handle or vertically by the end handle.
